AYER

Vicki,

To a very sweet young lady who looked very sleepy the last I saw you. The best of Luck to you in whatever you choose to do. You should have taken ICT instead of DE. No, just kidding.

Sincerely,

Friends Lift Us Up Where We Belong

Friends are for laughing, crying, sharing, and caring. You go through many friends in your lifetime and even though you go your different ways the memories will always be there. Some friendships at M.H.S. started way back in grade school while others may have started just today. But no matter what, having friends is a vital part of your high school years.

Michele Smith and Craig Delacerda go way back together.

Judith Hansford and Lea Pittard being their usual crazy selves.

Jon Holmes, Tim McKay, and Mike McKown talk over the days plans.

Shannon Davidson and Sandy McGee "try" to have a serious conversation in Big Dog's room.

Deanie Mourot and Bryan Bartlett go back to fourth grade together.

Debbie Clowers, Kim Hill, Stephanie Stobaugh and Shelli Shannon having fun on punk day.

Mary Sudduth and Elizabeth Love in deep conversation.

Lee Littrell, Tim Zimmerman, Tim Koch, Bart Rankin, Mike Starr and Paul Turner goofing off before school.

You are always my friend
when I am happy
or when I am sad
when I am alone
or when I am with people.
You are always my friend
and though through the years
we will change
It doesn't matter what you do
Throughout our lifetime
You are always my friend.

Love Lifts Us Up Where We Belong

The definition of love is, "a strong affection for someone or something."

This kind of affection shows up a lot on the M.H.S. campus.

Everyone has been hit by one of cupid's arrows at one time or another. Here are a few examples of where his arrows have landed at M.H.S.

Patrick Pruitt and Terry Hightower in between classes

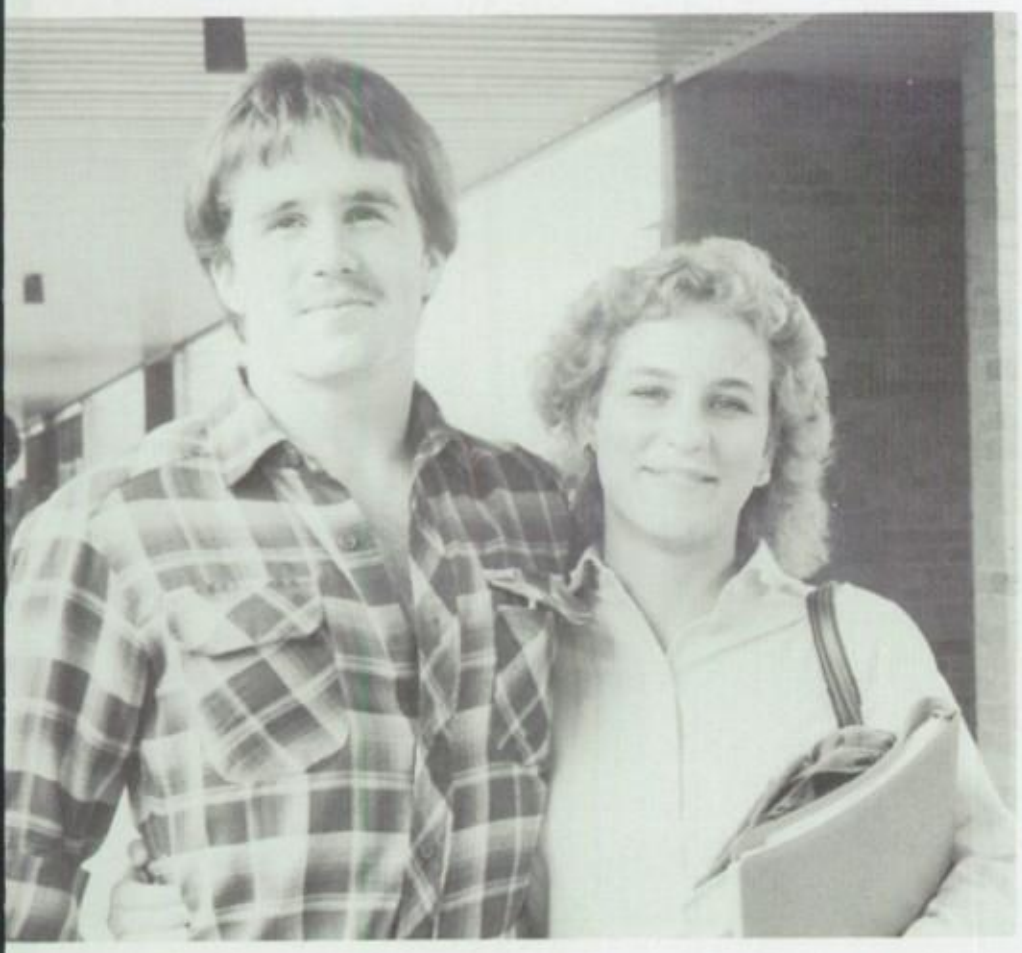
Leslie Mallett and Mark Holloway holding hands in the hall.



Dewayne Millsap and Jennifer McVey together again.

Isacc Criswell and Yolonda Hervey talking on the benches.

Burl Watkins and Crystal Ward before school.

Who knows what tomorrow brings? This seems to be a question every Senior can ask. For some it means college and jobs, while for others it may mean settling down with the one you love.

There are mountains in our way, but we each climb a step every day. There are many kinds of mountains that stand before Seniors, the main one being what to do next.

"Some hang on to used-to-be,
Live their lives looking behind,
All we have is here and now;
All our life, out there to find.
The road is long."★

The road may be long and lead us in many different directions but no matter where the road leads or how long it may be, we will always have our memories of our great Senior year at M.H.S.

In all that I've done and all that
I've learned,
I've searched for a "Me", for
others to see,
Upon looking up after twelve
years gone by
I found another page of my life
had turned.

The simple happenings of today,
Will be memories of tomorrow,
The fact that we can't do it again,
Might bring us a bit of sorrow.

Yet the simple fact that we've
lived before,
Will let us think it a success,
And the years to come will prove
to us,
This year has been better than
the rest.

M.H.S. Cheerleaders

M.H.S. Cheerleaders are a group of students who are responsible for promoting school spirit. They accomplish this by leading pep rallies, selling spirit ribbons, leading the cheers at football games and basketball games and by being spirited people.

At M.H.S. we have two groups of cheerleaders — one for football and one for basketball. Both groups were selected in the spring and both attended cheerleading camp at University of Arkansas at Fayetteville during the summer. The football cheerleading squad received two red excellent ribbons, 8 blue superior ribbons, and one gold super-superior ribbon. They also received a trophy for being an outstanding squad at camp. The basketball cheerleading squad received 4 red excellent ribbons and 4 blue superior ribbons.

Both squads received a spirit stick to bring back to M.H.S. Spirit sticks are given at camp to the squads that work hard and show good spirit during the entire camp. These spirit sticks are used in our pep rallies and are given to the class that wins the "Battle Cries" each week.

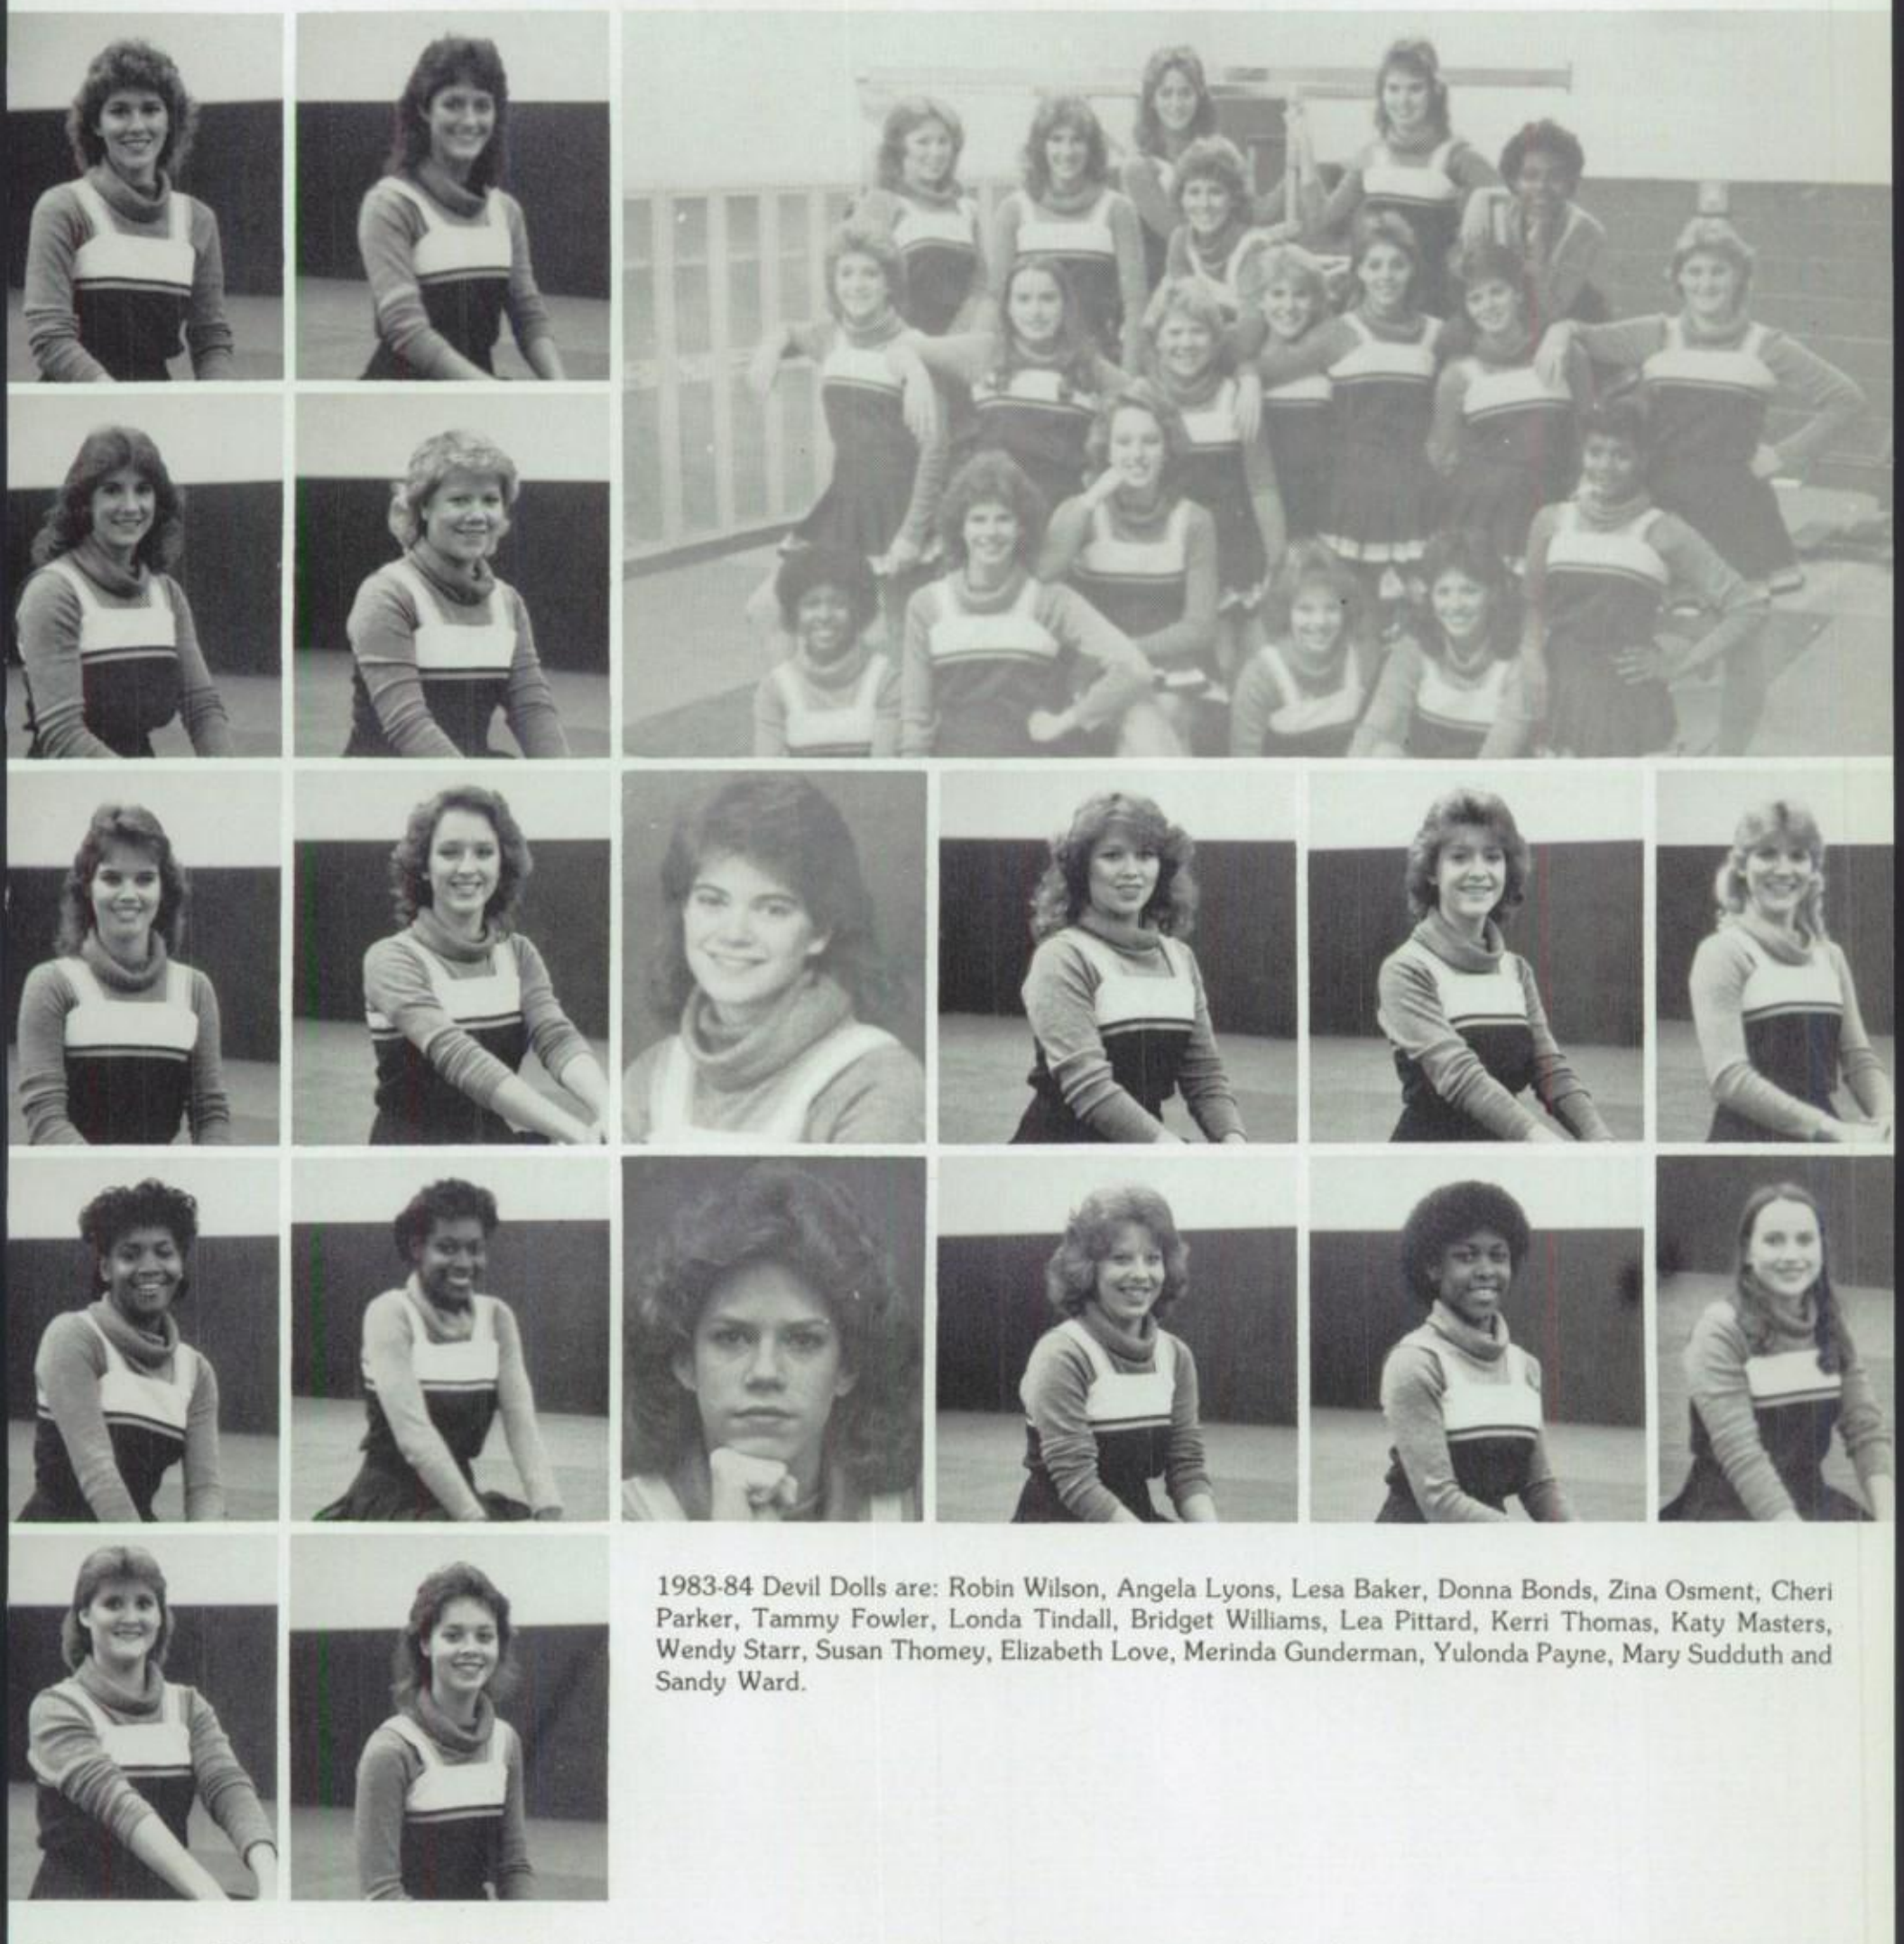
Dancing Devil Dolls



1983-84 Devil Dolls are: Robin Wilson, Angela Lyons, Lesa Baker, Donna Bonds, Zina Osment, Cheri Parker, Tammy Fowler, Londa Tindall, Bridget Williams, Lea Pittard, Kerri Thomas, Katy Masters, Wendy Starr, Susan Thomey, Elizabeth Love, Merinda Gunderman, Yulonda Payne, Mary Sudduth and Sandy Ward.

Dancing Devil Dolls are a performing dance team for their school and community. They have participated in opening numbers for style shows, pageants, and Art Gala's. Campaigning for the cancer drive, raising money for muscular dystrophy, performing at an old folks home and painting signs to support their teams might be all in a day's work. Without a new day to come together with each other, school friends and doing what they enjoy, the most - promoting school spirit - school would be empty. That's why the Dancing Devil Dolls chose as their motto, "A Rainbow Represents the Promise of a New Day".

The word Ayer is a Spanish word meaning yesterday. It was first used to name the M.H.S. yearbook in 1942. The Ayer is produced so you can enjoy yesterday's memories.

Asst. Editor: Michele Smith Editors: Deanie Mourot and Tracy Hunter

1984 was a year of many changes for the Ayer Staff. After several trial runs, we finally got Mrs. Fullerton to stick with the job as our sponsor.

Things were shaky at first but it seems everything fit into place when the time came.

We chose the theme "Up Where We Belong" to show you that Morrilton High really is a great place to belong.

We would like to especially thank Mrs. Fullerton for all of her time, patience, and hard work she has put into the Ayer.

Morrilton High School Football-1983 was a very unusual disappointing year. Much of the preseason talk was centered around the tradition of the Morrilton football program. Tradition can show itself in many ways. It doesn't have to mean an undefeated season, or a conference or state championship. When those things could not be accomplished, MHS tradition showed itself in other ways. We still had the "untouchable" enthusiasm of which no other school can boast. Each week no matter who the opponent or how tough the task seemed, MHS tradition of support and encouragement was ever present.

Hopes were high as the Dogs opened against rival Russellville. As was to be the case so many times, MHS battled to the end and the game ended with the Dogs trying to score the winning touchdown but fell short by a score of 28-22.

DOGS IN ACTION

A LONG AWAITED DEVIL DOG VICTORY!

Holding on until the bitter end, the Devil Dogs ended their season in true Morrilton tradition. The opponent was the North Pulask Falcons. MHS fans got to see the offense and defense it had waited all year to see. The Dogs pounded the Falcons by a score of 26 to 6 and gave the Morrilton fans one of those real Devil Dog games.

We never like to see our football season end. We might like to start some over and try them again but as usual Morrilton traditions holds on. We love our football and take pride in it no matter the wins and losses.

The 1983-84 Devil Dogs were "Up Where They Belong" with Coach John Widner and Coach Joe Foley. They started the season with a win against Harrison, 39-34. Fort Smith Northside surprised the Dogs with a victory of 46-31, but they came back with a victory against Wonderview, 51-41. The Dogs were successful with a victory against Russellville, 39-37, but Conway was an upset of only 2 points. The Dogs won over Bigelow by a score of 65-37. Wonderview came back with revenge and the Dogs lost by 2. Malvern gave the Dogs a victory with a score of 55-39.

The Tech Tournament was held on January 2-7 and the Dogs had a great victory over Dover, 62-27. Little Rock Mills was an upset of 36-39.

The regular season resumed with a win over Conway, 45-34. The Dogs were then victorious over Lonoke with a win of 47-23.

The Mid-Arkansas tournament showed the Dogs pride over Beebe 50-23, but they were set back in overtime by Mills, 46-49.

The Dogs were defeated by Searcy by a score of 57-46, but they were victorious in a spectacular game defeating AAA No. 1, North Pulaski, by a score of 46-39. The Dogs had another victory when they defeated Lonoke, 61-31.

The Dogs were victorious over Stuttgart with a score of 58-43. They were then defeated by Cabot 46-44. The next week the Dogs came back and defeated Searcy 70-61. The Dogs finished out the season losing to Stuttgart 44-41 and to North Pulaski 61-49.

As traditional, the Morrilton Devil Dogs "Mighty Midgets" came through with a winning season. Once again through the super coaching and hard practices, the Devil Dogs have made the Morrilton fans really proud.

Coach John Widner

The 1983-84 annual staff, on behalf of Morrilton High School, would like to dedicate this years Ayer to Coach John Widner. In the 14 school years that he has served as head coach to the basketball Devil Dogs, the team has amassed quite a record. The game total is 344 won and 64 lost. The Dogs have been Region Champions 8 times and co-champions 2 times. They have been in State Playoffs for 13 consecutive years.

Coach Widner seems to have the knack of making a 5' 8" young man think he is 6' 2" and that they are all related to kangaroos.

We're going to miss Coach Widner, but wish him well in his new job. We would like to thank him for being one of those people who help put Morrilton High School "Up Where We Belong".

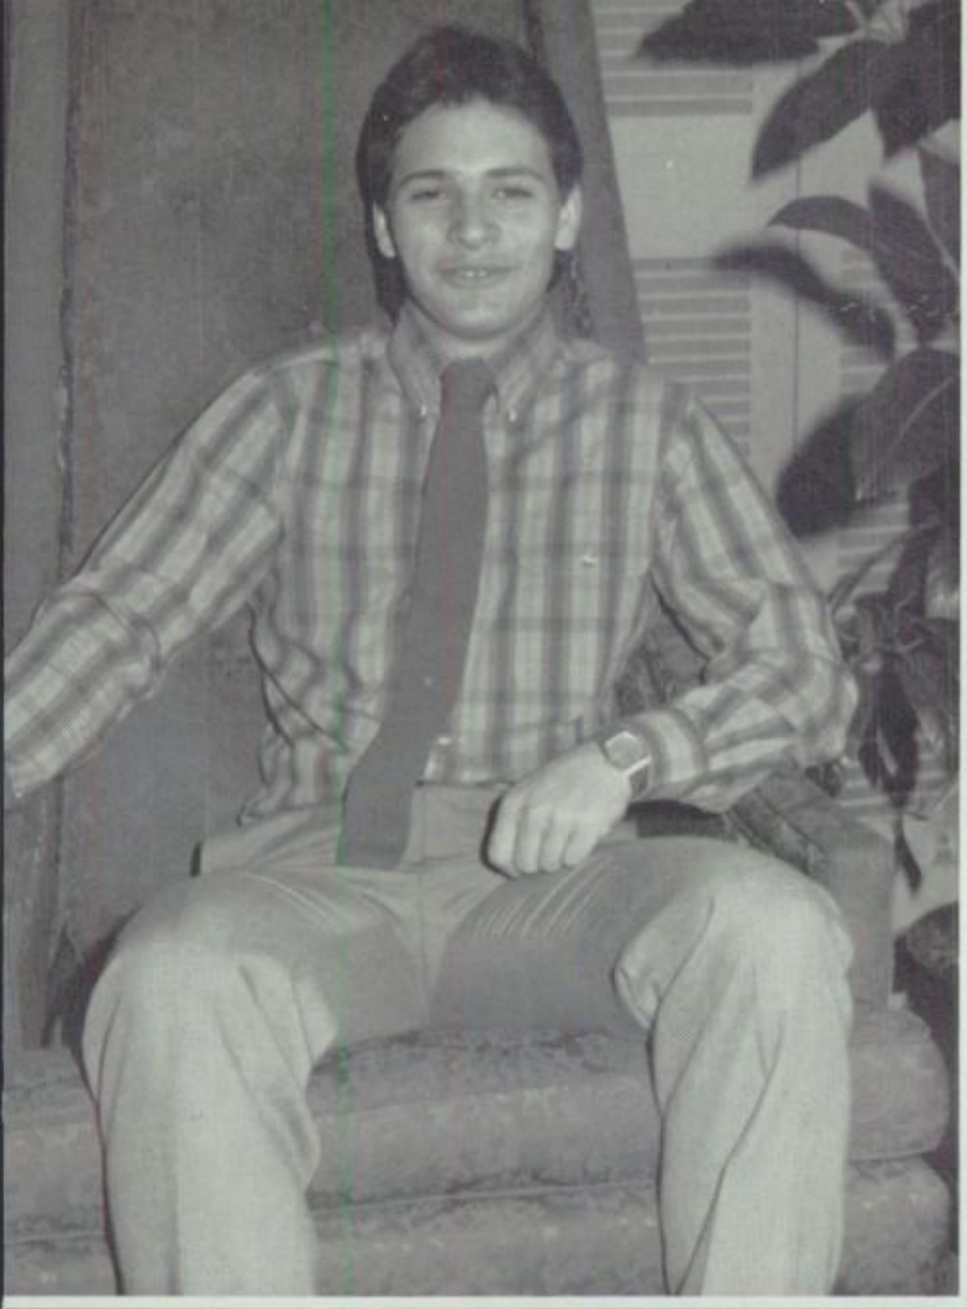
UP WHERE ~~WE~~ HONORS BELONG



Students who are honored by being selected as Mr. and Miss M.I.H.S. should be ones who have shown active involvement in their school, have good attitudes, and try hard. As such, they should be fairly representative of all students.

This year the faculty joined the students in selecting Mr. and Miss M. I. H. S. The two students we distinguish with this title have exhibited outstanding participation in the activities of their school. This year's Mr. and Miss M. I. H. S. are Jim Rankin and Melissa Ward.

Mr. and Miss M.I.H.S.

Jim, the son of Jim and Gloria Rankin, was treasurer of Beta Club, received the N.E.D.T. award, was on the annual staff and made outstanding contributions to the football team. Following the completion of his high school career, Jim plans to attend college and major in engineering.

Melissa, the daughter of Alvie and Paula Ward, has been a football and basketball cheerleader, on the annual staff and participated in the **Ayer** pageant. The M.I.H.S. Editors of the 1983-84 **Ayer** are Crystal Miller and Karin Charton.

This year M.I.H.S. **Ayer** Staff undertook an after school workshop that met most Monday and Thursday afternoons until four o'clock. The objective was to grant to those students, who could not take annual class during school hours, the opportunity to become involved in the planning and preparing of the yearbook. Although this can be considered to have been a successful venture, there were some who were able and willing to become more involved than others, working arduously to produce pages of fond memories for all students. Our thanks to all of you who gave freely of your time and talents. Your reward will be in the pleasure you derive from seeing that which could not have been produced without you.

IT TOOK A LOT OF TIME BUT IT WAS WORTH IT

Editors Crystal and Karin take time out to consult with hardworking photographer, Eddie Gunderman and his assistant Steve Smith.

Still smiling at the end of a week of late nights being gophers for the **Ayer** pageant are Roy Sitton, Bill Hale, Jim Rankin, and Ed Love.

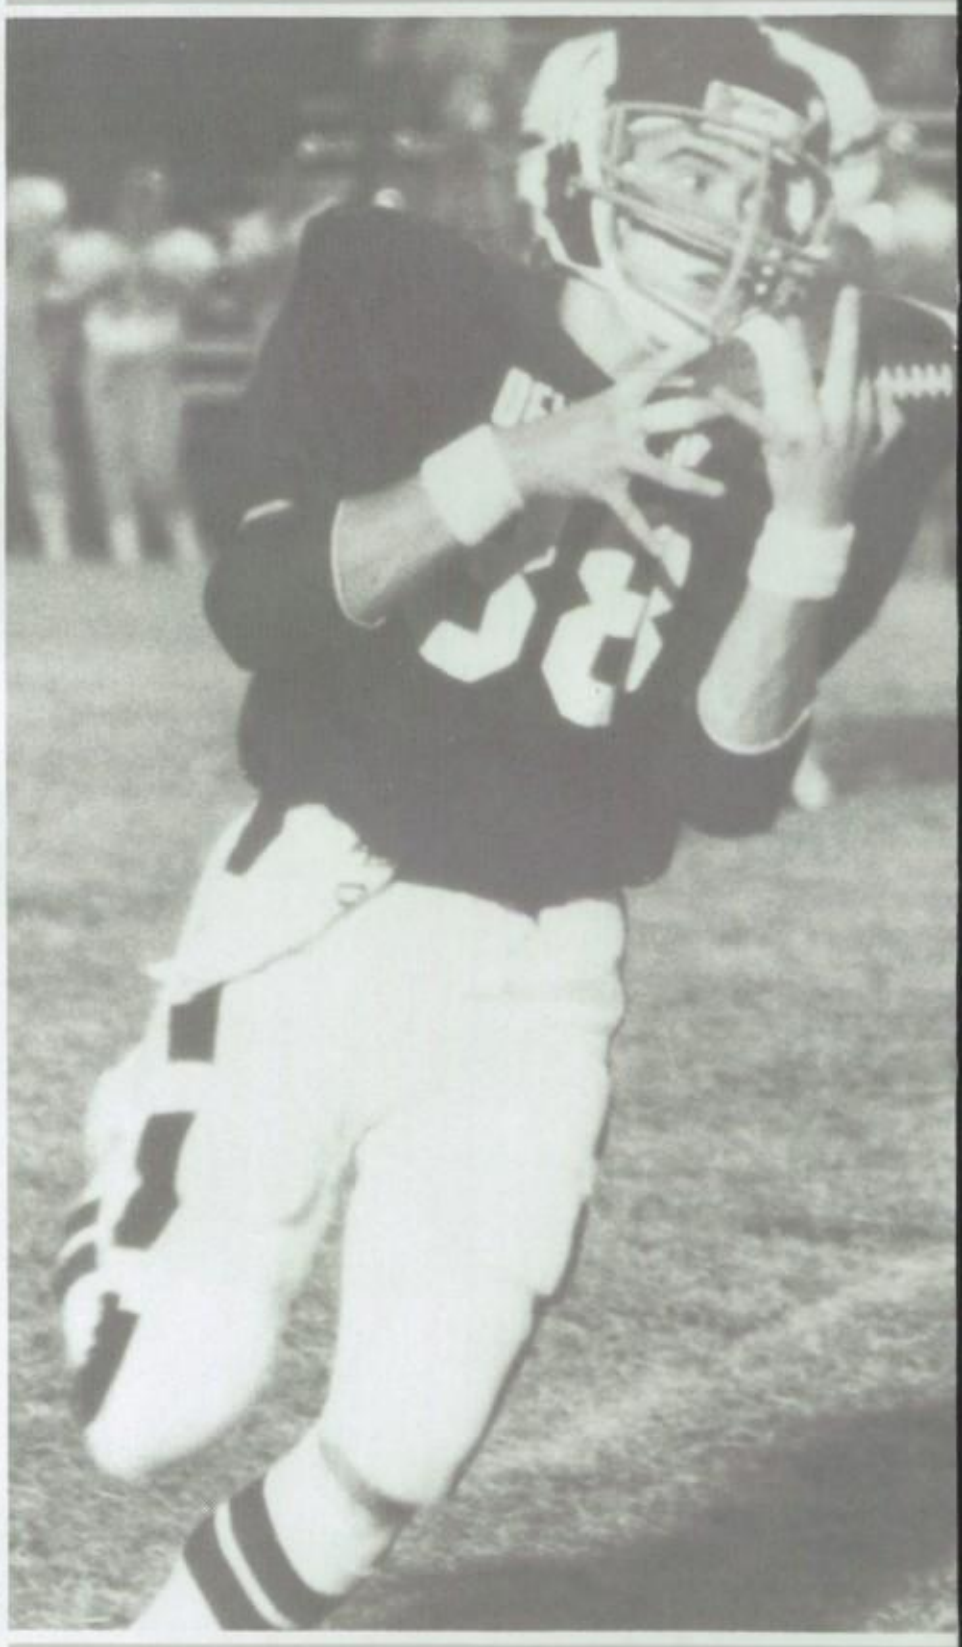
CONFERENCE CHAMPIONS

DEVIL PUPS

Marvin Walls breaks for a long gainer.

The Devil Pups finished the 1983 season with 7 wins and losses. The Pups were 3-0 in conference play and won th 5AAAN Conference Championship.

The Pups opened the season with a 23-0 win over Green brier. The following week proved to be more of a test as th Pups squeaked by N.L.R. Lakewood 14-6. Russellville wa the Pups next victim and the Pups came away with a 24- win.



Robert Mourot snaps a pass from quarterback Charlie Williams for a f down.

Roger Toney, Charlie Williams, Marvin Walls, Jeff Thompson, Jamie Gadberry, Anson McEachrn, John Taylor, Paul Driggers, Doug Howard, Craig Ferguson, Shawn Mobley, Bobby Williams, Jerry Collins, Robert Mourot, Greg Mourot, Gary Mitchell, Coach Ealy, Rich Jones, James Cook, Richard Boron, Jason Lentz, Danny Brown, Ronnie Bennett, John Cody, Coach Rice, Coach Abernathy, Cory Williams, Brad Boyle, Ivan Chambers, Richard Paquette, Hershel Mathison, Troy Brown, Richard Sensabaugh, Bobby Anderson, Darrell Egger, Eric Thompson, Steve Lewandowski.

N.L.R. Rose City came to Morrilton the following week and handed the Devil Pups their first loss by a score of 27-6. The Pups bounded back the following week against the Cabot Panthers for their first conference win. It was a hard fought game and the Pups prevailed 8-6.

Conway came to town the next week and beat the Pups in a high scoring game 16-18. After suffering the disapointing loss to Conway, the Pups rebounded with a 28-0 conference win over the Searcy Cubs and guaranteed themselves at least a share of the conference title. The Pups traveled to North Little Rock the following week to take on the Ridgeroad Rams and returned home with a 22-8 victory.

For the season finale the Pups traveled to Stuttgart to battle the Ricebirds for the conference championship. The Ricebirds held a 6-0 lead at the half, but the season ended in fine fashion when the Pups came back and took a 7-6 lead and held Stuttgart with a tremendous goal line stand in the final minute of the game.

Members of the team were: Jim Oliver, Jim Hall, Travis Alsup, James Sullivan, Nicky Hickman, Pat Pinter, Cornell Smith, Ivan Chambers, Robert Cummings, John Foster, Shane Mullins, Chris Forshee, Demetruis Acker, Derrick Mitchell, and Tony English. The managers were Steve Flory and Chris Moran

The Devil Pups began working out in September and finished up with the Conference Tournament February 20-24. Although they were plagued by inexperience and inconsistency, Coach Quattlebaum felt that each individual made a lot of improvement throughout the year.

"We are so PROUD!!"

Sharon Cato, manager; Tracy Perry; Denise Garrett; Rhonda Hill; Melissa Reece; Kim Rainwater; Tonja Caldwell; Kim Payne; Ronicia Warren; Renae Duncan Joyce Holloway, manager; Coach Lisa Vernon.

The Lady Devil Pups started their season by winning their first five games. The first loss came in the semi-finals of the Sylvan Hills Invitational Tournament against an excellent Sylvan Hills ball club. Before suffering their next defeat against a talented Conway team, the Lady Pups beat Russelville and Rose City. After winning the next three games, they lost again to Conway in the finals of the Gardner Invitational Tournament.

In conference play they won two games against Stuttgart and Cabot. Their first conference loss was to Searcy which put them in a tie for first place with Searcy and Cabot. Taking revenge they won their next four games, three of which were conference-one a double overtime game against Cabot. This was followed by a most heart-breaking loss against a fired up Searcy team. This was the worst defeat for the Lady Pups this year if not in scores, in the heart. As a result of this loss there was a three way tie for first place in 5AAAN Conference. The overall record for regular season is 16-5 and 6-2 in conference play.

The Lady Pups would like to pay a tribute to their coach, Lisa Vernon. She was more than a coach, she was a friend, always there when anyone needed to talk.

H O W , B O U T

When asked if she had to be an animal which one would she choose, the young lady being interviewed replied, "I would probably choose to be a dog, because the dog is man's best friend." At first the crowd laughed, but then it cheered.

Described by Webster, the dog has "an affected stylishness and dignity". Through the years the Devil Dogs have lived up to this again and again, whether it be a winning season or a losing one. When all spirit seemed gone and all hope seemed lost, the Dogs kept chins up and hopes high having "an affected stylishness and dignity".

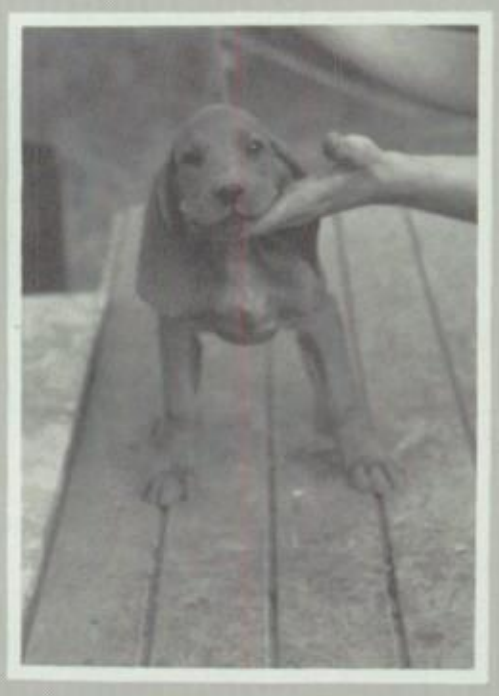
We, like the young lady, have truly chosen man's best friend, the MORRILTON DEVIL DOG!

But, I didn't do it.

Hey! Move over!

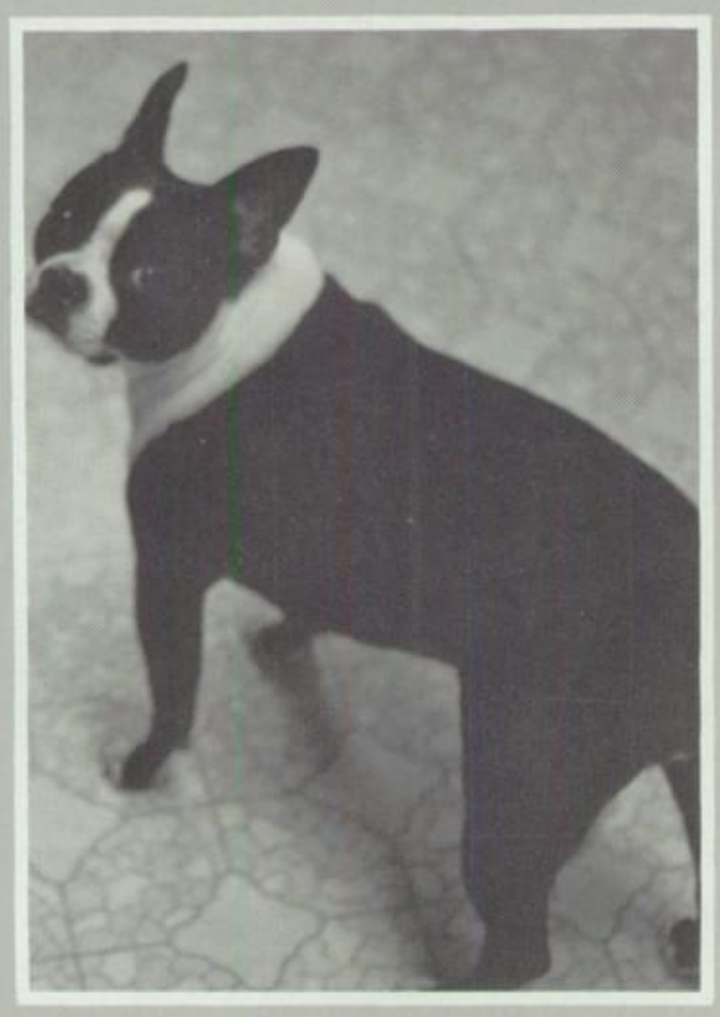
THOSE DOGS!

Where are my slippers?



Chin up!

Yes, did you call?



Turn the light on, please.

We hope we have captured a part of your year in the 1984 Ayer. The Ayer is your book and it's for remembering yelling your brains out at the pep rallies, looking for dates while sitting in the bleachers, for every dance you danced, for every dance you stood against the wall, for doing your homework and for thinking up excuses for not doing it. We hope this will serve as a reminder to each friendship, each event, and every magical moment spent in this school year. You see, we want you to know we really were "Up Where We Belong" in '84.
